The fees are needed to partially offset the cost of meet entry fees and coaches' fees during the season. You may personally pay the fee or reduce the amount of your expenditure by securing sponsorships. The following table shows how the sale of a sponsorship contributes toward your fee obligation.

<u>Cost to Sponsor</u>		<u>Credit to Family Obligation</u>
Gold Level	\$750	\$750
Silver Level	\$500	\$500
Bronze Level	\$250	\$250
Blue Level	\$160	\$160
Red Level	\$80	\$80
White Level	\$40	\$40
Patron	\$20	\$20

Rules for selling ads and sponsorships:

1. Credit for a sponsorship will go first to the family that is employed or owns the company.
2. Credit then goes to the family holding the sponsorship from last season, given they sell and collect by due date.
3. The Sponsor list is detailed on the Sponsor menu on the Cartersville website <http://www.cartersvilletwisters.com/sponsors.html>. Please read these carefully. **Note:** As careful as we try to be, sometimes a sponsor is left off the list. If a member obtains a sponsorship that belongs to someone else, the sponsorship will be credited to the original member's account. If the new sponsorship is larger than the original, the difference will be credited to the new parent. Check the list carefully and inform Nina Hutcherson via e-mail at NGHutcherson@Windstream.net of any missing/misspelled family/sponsors' names.
4. When you approach a business, please enter the name on the online sponsor list on the Cartersville website. Please note if the sponsorship was obtained or not. Check the list frequently so that we do not harass anyone whether they were a yes or a no.

Booster Club Fees

2009 – 2010

5. Download the Sponsor form from Sponsor section of the Cartersville website <http://www.cartersvilletwisters.com/sponsors.html> for the business to fill out. Make a copy of the completed Sponsor form and check/cash for you, then please do the following and place envelope in the Booster Club box located by the ladies restroom entrance.
 - a. Write your name (gymnast or tumbler) on outside of envelope.
 - b. Place Sponsor form and check/cash in envelope.
 - c. If requested by business, provide company or ad information or art work to be presented in our Meet Programs.
6. If you have collected sponsorship money from your sponsor and your gymnast/tumbler decides to quit, that sponsorship money goes into the general funds of the Booster Club. You cannot give away money to another gymnast. The next season this sponsorship will be available to other families.
7. No sponsorship will be credited until the money has been turned in.

Reminder – All Booster Club fees must be paid by the level due date before a gymnast/tumbler may begin their competitive season.
